

## Track #10: "We Will Make It"

### Chorus #1:

- We will make it; we will make it. We will make it all of the way.
- Never doubt it; run and shout it.
- We're going to make it all of the way.

### Chorus #2:

- We shall be like Him; we shall be like Him.
- When we see Jesus; when we see Him face-to-face.
- There'll be no crying, no more sickness, no more dying.
- We will have made it all of the way.

### Bridge #1:

- There's no reason to believe in fear or failure anymore.
- With the vision God has given, we shall reach that distant shore.

### Chorus #3:

- I'm going to make it; I've made up in my mind, I'll make it.
- I will make it all the way.
- There's no doubt about it; I want to run and shout it.
- I'm going to make it all the way.

### Bridge #2:

- Some things have happened in my life; I may not ever understand.
- But in every situation, God was holding to my hand.

### Chorus #4:

- His love still hides me; His Spirit guides me.
- He gives me courage each and every day.
- That's why I trust Him; I've learned to depend on Him.
- He will help me make it all of the way, oh yes He will.
- And you can make it all the way, all the way.
- End: We will make it all the way.
