- Dear God, we give You praise.
- Perfect and holy in all of Your ways.

Verse #2: French Interpretation {Debbie Robinson}

- *Mon Dieu, bénis-nous, nous te prions.*
Dear God, bless us, we pray.
- *Nous avons besoin de tes conseils, dans toutes les décisions, que nous prenons.*
We need Your guidance in all decisions that we make.
- *Nous ne restons pas toujours, sur le bon chemin.*
We don't always stay on the right path.
- *Nous pensons que nous avons raison, mais, en fait, nous devinons, quelle direction il faut prendre.*
We think we're right, but, in fact, we guess what direction to take.
- *C'est pourquoi nous avons besoin de ton secours, chaque jour, de toute manière.*
That's why we need Your help, each day, in every way.
- *Vas, devant nous, et éclaire notre sentier.*
Go, before us, and light our path.
- *Parce que nous luttons dans l'obscurité devant nous.*
Because we are struggling in the darkness in front of us.
- *C'est pourquoi nous te supplions ton secours, chaque jour, de toute manière.*
That's why we ask You for Your help, each day, in every way.
- Dear God, Please hear our prayer.

Verse #3:

- Dear God, bless us, we pray.
- Guide our footsteps, lest we stray.
- Go, Thou, before us, and light our way.
- Dear God, bless us, we pray.

We don't always stay on the right path.
- *A veces pensamos estar en lo correcto, pero solo intentamos decidir que camino tomar.*
We think we're right but, in fact, we guess what direction to take.
- *Y es por eso Señor que te necesitamos todos los días y en cada momento de nuestro día.*
That's why we need Your help each day, in every way.
- *Se nuestra guía Señor e ilumina nuestro caminar.*
Go, before us, and light our path.
- *Porque la incertidumbre nos confunde y no sabemos que camino tomar.*
Because we are struggling in the darkness in front of us.

That's why we ask You for Your help each day, in every way.
