

## Track #9: "Only One"

### Refrain #1:

- Only One (4X), we are the people of the One.
- It's me for you, and you for me; God for all in unity.
- We are the people of the Holy, Holy One.
- There is one blood that sustains us; it's the same throughout humanity.
- That's the way God has chosen to make us;
- We're part of one big family tree.
- There is no doubt or question about it; we were born to be equal and free.
- That's why we're the people of the One.

### Flugelhorn solo {Lee Savory}

### Refrain #2:

- We come from Africa and Asia, Antarctica, Australia. All of the Americas, and Europe too. We are the people of the Sovereign One.
- There are no big "I's" or little "you's". No one has the right to use or abuse.
- Because we're the people, the people of the One.
- 1st Ending: Why should we fight for emancipation, when we were made in the image of our God?
- There's no room for discrimination, when we live in the spirit of His love.
- We must tear down the walls that divide us; take a stand for our liberty.
- We are the people of the Only One.
- No one can give us emancipation, when we we're made in the image of our God.
- 2<sup>nd</sup> Ending: There's no room for discrimination, when we live in the spirit of His love.
- There is only one reason for living, so that we can bring glory to God.
- Because He loves all the people; we ask Him to heal all the people.
- Black skinned, brown-skinned, yellow skinned and red-skinned.
- White-skinned, all-skinned, God has created them.
- We, who are sisters and brothers, we must reach out to each other.
- When we embrace all our difference, then we can all make a difference.
- Let's prove we're the people of the One, Only One.
